Administrator's Message

Spring is in the air, and with it comes a renewed sense of energy and excitement around our school!

Thank you to all the families who joined us for Student Progress Conferences. Your ongoing support and involvement make a big difference in your child's learning journey, and we appreciate the opportunity to connect with you.

Congratulations to our badminton players who are having a fantastic season! We're proud of their effort, teamwork, and sportsmanship. A big thank you goes out to Mr. Kowal and Miss Tatlow for their time and dedication in coaching our teams—your support makes this experience possible for our students.

Thank you as well to everyone who placed orders through our Mom's Pantry fundraiser. We are currently waiting on confirmation of our delivery date and will let families know the details as soon as they are finalized.

As the snow begins to melt and we transition into the muddy season, we encourage students to wear rubber boots to school. The playground gets quite wet, and a good pair of boots can help keep feet dry and comfortable for outdoor play.

Looking ahead, we're buzzing with excitement for our spring production of *The Wizard of Oz*, which will take place on May 1st. Our students and staff have been working hard, and we can't wait to share this magical performance with you all!

Wishing everyone a joyful and restful Easter holiday.
