Principal's Message

As we head into the holiday season and look ahead to the start of a new year, I would like to take a moment to wish all of our students, families, and staff a very Merry Christmas, a safe and restful holiday, and all the best in the New Year.

December has been a busy and joyful month at our school. I would like to extend a huge congratulations to **Freya Schmalz and Harper Knecht**, who did a wonderful job performing in the *Matilda Jr.* production. We are so proud of their hard work, confidence, and talent, and it was exciting to see our students shine on stage.

I would also like to sincerely thank the many volunteers who prepared and served our Christmas Dinner. This special meal is a highlight for our students each year, and it would not be possible without the generosity, time, and care of our volunteers. Your efforts help create lasting memories for our school community.

A special thank you goes out to **Mrs. Walters** and the incredible group of volunteers who worked so hard to flood our school rink. Thanks to your dedication, our students will be able to enjoy outdoor skating and take full advantage of winter in Saskatchewan.

Thank you to everyone who helps make our school such a warm, supportive, and connected community. We look forward to welcoming students back in the New Year and continuing the great learning and experiences together in January.

Mrs. Tournier

Rink Volunteers Needed!

As the weather cools down, we're excited to kick off another great rink season! We're looking for volunteers to help with opening and closing the rink, as well as clearing the snow when it falls. Even if you can only help occasionally, we'd love to hear from you. Once the rink is ready for use, we'll be sure to let you know. If you're interested in volunteering, please get in touch! Dressed for the Season

Students must dress appropriately for the weather. They must be dressed adequately for a 1 kilometer walk in case of an emergency. Our bus drivers have the authority to warn/educate a student on a first offense and refuse transportation on the second. Saskatchewan Rivers Public School Division's complete Board Policies, Administrative Procedures and Transportation Manual can be reviewed on our website at www.srsd119.ca.

Thank you, Ryan Bruce, Manager of Transportation Services
